

RocTerminal+ X800

Dual-Screen Android Smart Terminal

Fast Checkout, Flexible Connectivity

8" merchant and 5" customer screens streamline transactions. Compact design, long battery life, and 4G, Wi-Fi, and Bluetooth ensure seamless payments anywhere.

Lower Processing Costs

Reduce fees with RewardPay Choice (compliant surcharging) or ConsumerChoice (dual-pricing), giving customers clear, flexible payment options.

Real-time QuickBooks Integration

Sync transactions instantly with QuickBooks Online to simplify bookkeeping and reduce costs.

Online Merchant Portal

Access reports, create products, and manage users from one centralized platform.

Smart Inventory Management

Track sales, manage stock, and generate detailed reports with an unlimited itemized product catalog.

Multi-MID Support

Manage up to 10 merchant accounts on one X800, cutting hardware costs and simplifying operations.
